

# Instructions for My Scrapbook

## Adding Products and Styles

- Login each time you visit our site to add new images.
- You can add as many objects as you wish to create your dream room by clicking on the Add to Scrapbook button below images that can be included.
- The images will automatically be organized into three sections: Door Style and Finishes, Room Scenes and Accessories.
- If your style shifts, and you no longer wish to include an image in your scrapbook, simply click the Remove button located beneath the picture within My Scrapbook site.

## Viewing Your Additions

- To view your scrapbook, click on the various buttons on My Scrapbook homepage.
- To view close-ups of the images in your scrapbook, simply click on the image.
- You can also view comments you have added within each section as reminders of your likes, dislikes or decorating ideas.

## Sending Information to Wellborn Dealer or Printing for Reference

- Once you are ready to be contacted, you can send your scrapbook to a dealer by clicking on the Send to Dealer button located on My Scrapbook homepage. If you have not entered your contact information, you must go to Modify Dealer section on My Scrapbook homepage and do so prior to sending your scrapbook.
- Your scrapbook can also be printed via the Print button on My Scrapbook homepage.
